Sandy Point's Biggest Crab

Who has the biggest crab at Sandy Point? Any crab caught during 'Area 7 North' Opening date to September 30th will qualify to enter the contest. If you believe you caught the biggest crab ... keep the back cleaned and bring it to the Sandy Point Marina on Saturday, October 5th (starts at 3PM) and find out who 'really' has the biggest crab at Sandy Point! Judging closes at 4:30pm/ For additional information, call Ernie Henken at 360.224.1695 or Dennis Bergman at 360.319.3575

Annual Flu Clinic

The Fire Department will have their annual flu clinic with Hoagland Pharmacy on Saturday, October 5th from 11:00am-1:00pm.

Pool Season

Come down to the pool before it closes for the season! Hours are 10:00AM-7:00PM, 7 days a week, with the first and last hour for **adults only**. The last day of the pool this year will be Monday, September 2nd (Labor Day).

Dredge Update

This is the most current update from the dredge committee website:

"We continue to wait for the Federal agencies to issue their final reports to the Corp of Engineers. Our environmental and legal consultants are making sure we have provided all the information they need, and we are doing everything we can to move the process forward. The County will reschedule the public hearing as soon as the Federal agencies give their approval to the project and we will let you know as soon as it is scheduled." (www.sandypointdredge.com)

Playground Update

We have ordered the new playground for the Sandy Point Heights area! We would appreciate any volunteers who would be willing to help with the set-up of new equipment once needed. Keep an eye on the Sandy Point website for more details!

Dog Owners

Please be sure to have your dogs contained on your property or on a leash when walking. Please remember to properly dispose of your dog's waste as it does not belong on beaches, the bays or canal, or in a neighbor's yard. We have provided doggy bags at the park in the Heights or down at the marina. Thank you!

Outdoor Burning

The Fire Department would like to remind residents that all outdoor burning is now under the authority of the Fire District. Fires creating objectional smoke and odors are illegal and the fines for responding to those fires can become expensive. Know what the regulations are before you burn. For more information visit the Sandy Point website and click on the Fire Department link or call the Fire District office at 360-384-1480.

Night Market

There will be another Night Market at the marina on August 24th from 5:30pm-8:30pm. Food trucks, vendors & music!

Hole in One!

Congratulations to Jason Lind who got a hole-in-one! On July 4th, he used an 8 iron on the 9th hole.
