

We hope everyone has a warm holiday season and a Happy New Year!!

December Board Meeting

There will be no Board Meeting for the month of December, Sandy Point will be hosting their Annual Christmas Party instead!

Sandy Point Christmas Party

The Sandy Point Christmas Party will be held at the Sandy Point Clubhouse at 4460 Decatur Drive on Thursday, December 19, 2019 from 5:00-7:00pm. Sandy Point will provide Appetizers, Coffee, and water! There will be raffle prizes at the party, ticket proceeds will go towards the Ferndale Food Bank; and a collection box for the Toys for Tots Drive in the Clubhouse that will be available for toy donations.

Winter is Here!

With the cold weather upon us, it's time to winterize your home to avoid any bursting pipes. If you would like your water turned off before leaving for vacation, please call the office to set up an appointment during business hours and we will be happy to assist you. Please remember the meters are to be handled by Sandy Point staff only. Also, be sure to turn off any exterior water spigots.

Toys For Tots

Sandy Point Improvement Company is collecting toys and money for the Toys for Tots Drive through December 20, 2019. All toy donations need to be new, unwrapped toys for kids between 0-18 years old, though babies and teens usually receive the least donations. Collection boxes for toys are located at the Marina at 4323 Saltspring Drive, and the Office and Clubhouse at 4460 Decatur Drive; a cash box is also located at the office.

Water Emergencies

In the event of a water break, we will try to keep our members informed of outage times. Please go to www.oursandypoint.com. In the event of a water emergency, we may not be able to notify our customers promptly.

Packages Arriving

During the holiday season, we would like to remind you to keep an eye on any packages or important mail being delivered to avoid any possibility of theft.

Annual Flu Clinic

This year's Flu Clinic attendance at the fire station was another record setting success. We look forward to having everyone back for coffee and cookies again next fall. In addition, a big thank-you to the many folks that have taken the time to stop and thank our volunteer firefighters for the important service they provide in our community. It is truly appreciated!!

Dog Owners

Please be sure to have your dogs contained on your property or on a leash when walking. Please remember to properly dispose of your dog's waste as it does not belong on beaches, the bays or canal, or in a neighbor's yard. We have provided doggy bags at the park in the Heights or down at the marina. Thank you!

Outdoor Burning

As of January 1st, 2020, the fire department will no longer permit yard and beach debris fires. Beach and Recreation camp fire consisting of either charcoal or split dry firewood and in an approved enclosure will be permitted. Fires creating objectional smoke and odors are illegal and the fines for responding to those fires can become expensive. Know what the regulations are before you burn. For more information visit the Sandy Point website and click on the Fire Department link or call the Fire District office at (360) 384-1480.
