

ANNUAL FLUSHING NOTICE

Sandy Point will be completing our annual water main flushing March 8-12 and March 15-19.

Flushing will start in the Heights.

Water main flushing is an annual preventative maintenance activity to help maintain water quality. Sandwich Boards will be displayed as early as March 5th to remind everyone.

As we flush the water main in your area, you may experience a temporary reduction in water pressure. You may also notice some slight discoloration or change in the taste/odor in your water caused by the mineral deposits we are flushing from our mains.

These conditions are normal during flushing activities and are only temporary. If you should experience any of these conditions, it is recommended you flush the pipes of your home by simply running cold water through one or more faucets, inside or outside your home until your water runs clear. It is also suggested to refrain from washing your laundry if you are experiencing any of these temporary water issues.

Email Alert System

Sandy Point is updating its Email Alert system in case of an emergency. If you would like your email to be included, please call the office at (360) 384-3921 or email

office@oursandypoint.com and include your name, customer number, address, and email address. In the event of a water emergency, we will try to notify our customers as soon as feasibly possible and keep everyone informed of outage times. Please see www.oursandypoint.com for continuous updates of any emergencies.

Clean Water Meter Boxes

The Water Committee is preparing for the upcoming cold weather and will begin walking around to ensure water meter boxes are clear of debris, bushes, and plant growth. Please take the time to make sure water meter boxes are easily found and accessible in case of water emergencies.

When 911 Phone Lines Go Down

Last month 911 phone lines across the country went down for a short period of time. Our Whatcom County 911 Center does have a back-up number callers can use should this happen. (360) 676-6811.

Can We Find You in an Emergency?

When seconds count it is vital that our responders get to you as quickly as possible. Often those efforts are delayed by poorly marked houses or in some cases not having any numbers at all. Are your house numbers visible from the street? Is it time to replace those old faded out mailbox numbers with new ones? Help our responders find you in an emergency.

Sandy Point Apparel

The office has ordered new Sandy Point Apparel, including Shirts, Sweatshirts, Hoodies, Visors and Hats! Call the office, 360-384-3921 for availability and pick up.

Dog Owners

Please be sure to have your dogs contained on your property or on a leash when walking. If you see a dog off leash, please call animal control at (360) 733-2080, extension 3017, and they will have an officer come out. Please remember to properly dispose of your dog's waste as it does not belong on beaches, the bays or canal, or in a neighbor's yard. We have provided doggy bags at the park in the Heights or down at the marina. Thank you!

Friends & Family CPR Class

CPR SAVES LIVES! The Fire Department will be hosting a Friends and Family CPR class on Saturday, March 27th at 11:00 am. Join us for this fun and very informative Lifesaving training. To register email the Fire Department at : Info@wcfcd17.org or call 360-384-1480.

Welcome New Firefighter Recruits

The Fire Department would like to welcome new firefighter recruits Ariel Antons and Haily Decatur. Ariel works as a Corrections Officer and Haily is a Nursing Student. Both have completed their online fire training classes and are now working on their practical skills. Thank you for your service to our community!

Sandy Point Sounder
February 2021/March 2021

SANDY POINT GENERAL INFORMATION

Office: Monday- Friday 8:00am-3:00pm

Marina Office:

Monday – Friday 8:00am – 12:00pm.

Saturday – Sunday 8:00am – 4:30pm

For water EMERGENCIES, use the on-call cell phone: (360) 739-6831. Please call during regular office hours for all non-emergencies to avoid a call out fee.

We accept all major credit cards over the phone or pay online at www.oursandypoint.com. Please call during regular office hours and we will be happy to assist you.

WATER METERS are the property of the Sandy Point Improvement Company and neither you nor your agent (contractor or plumber for example) may turn them on or off. To request that your water be turned on or off, call the office during regular business hours. We ask that you please keep water meters clear of debris and plant growth. During times of water emergencies, it is imperative that our water technicians and staff can locate and access your water meter quickly. When meters are not accessible, it delays our response time to help remedy an emergency. REMINDER: If you notice unusual water around your meter box or property, please call the office or the water emergency cell phone!
