Sandy Point Apparel

The office has ordered new Sandy Point Apparel, including Shirts, Sweatshirts, Hoodies, Visors and Hats! Call the office at 360-384-3921 for availability and pick up.

Marina

The Marina has 10 24-foot slips available. There is currently a waiting list for 30-foot slips and dry storage. If you would like to be put on the waiting list, please call the Marina at (360) 384-4373

Marina & Speeding

Summer is here and the business at the Marina is booming! Sandy Point wants to remind members and users of the Marina to keep noise down during quiet hours as the marina is located near residents. Please drive safely and respect posted speed limits of 25mph throughout Sandy Point Heights and Shores.

Clean Water Meter Boxes

With summer here, new plant growth is in full bloom. The Water Department asks that you maintain and trim the new plant growth around the meter boxes, so they are easily accessible. Having meter boxes easy to find and readily available aids the Water Department in cases of water emergencies and repairs.

Dog Owners

Please be sure to have your dogs contained on your property or on a leash when walking. If you see a dog off leash, please call animal control at (360) 733-2080, extension 3017, and they will have an officer come out. Please remember to properly dispose of your dog's waste as it does not belong on beaches, the bays or canal, or in a neighbor's yard. We have provided doggy bags at the park in the Heights or down at the marina. Thank you!

WATER METERS are the property of the Sandy Point Improvement Company and neither you nor your agent (contractor or plumber for example) may turn them on or off. To request that your water be turned on or off, call the office during regular business hours. We ask that you please keep water meters clear of debris and plant growth. During times of water emergencies, it is imperative that our water technicians and staff can locate and access your water meter quickly. When meters are not accessible, it delays our response time to help remedy an emergency. REMINDER: If you notice unusual water around your meter box or property, please call the office or the water emergency cell phone!
