

Who has the biggest crab in the Sandy Point Community?

Any crab caught within "Area 7 North" from opening date to Sept. 30th will qualify to enter the contest.

If you believe you caught the biggest crab EVER....keep the back (cleaned of course) and bring it to the Sandy Point Marina on Oct. 2nd 2021 between 10-11:00 AM and find out who "really" has the Biggest Crab. The winners will be announced at 11:15 AM sharp! There will also be a crab trivia contest so "bone up" on your crab knowledge.

Join the fun and possibly win a prize and the bragging rights to be Sandy Point's Biggest Crab.

This event is sponsored by the Sandy Point Yacht Club.
