Sandy Point Heights Street Lights

The Sandy Point Board of Directors have approved of eight (8) new streetlights for Sandy Point Heights. Please send in suggestions to the Board on www.oursandypoint.com/board-of-directors/.

Sandy Point Apparel

Are you a Snowbird?

The cold weather almost here, it is time to winterize your home to avoid any bursting pipes. If you would like your water turned off before leaving for vacation or you do not have immediate plans of returning to your home in Sandy Point, please call the office to set up an appointment during business hours and we will be happy to assist you. Please remember the meters are to be handled by Sandy Point staff only. Also, be sure to turn off any exterior water spigots.

Clean Water Meter Boxes

With the foul weather upon us, the Water Department asks that you maintain and trim the plant growth around the meter boxes, so they are easily accessible. Having meter boxes easy to find and readily available aids the Water Department in cases of water emergencies and repairs.

Dog Owners

Please be sure to have your dogs contained on your property or on a leash when walking. If you see a dog off leash, please call animal control at (360) 733-2080, extension 3017, and they will have an officer come out. Please remember to properly dispose of your dog's waste as it does not belong on beaches, the bays or canal, or in a neighbor's yard. We have provided doggy bags at the park in the Heights or down at the marina. Thank you!

WATER METERS are the property of the Sandy Point Improvement Company and neither you nor your agent (contractor or plumber for example) may turn them on or off. To request that your water be turned on or off, call the office during regular business hours. We ask that you please keep water meters clear of debris and plant growth. During times of water emergencies, it is imperative that our water technicians and staff can locate and access your water meter quickly. When meters are not accessible, it delays our response time to help remedy an emergency. REMINDER: If you notice unusual water around your meter box or property, please call the office or the water emergency cell phone!
