OUR DEPARTMENT

Whatcom County Fire District #17 is a progressive department providing fire and emergency medical services to the residents of Sandy Point and Sandy Point Heights. Established in 1969, Whatcom County Fire District #17 consists of twenty dedicated men and women operating seven emergency vehicles and a fire/rescue boat out of two fire stations within the Sandy Point community. Our fire department responds to a variety of fire and emergency medical calls and provides ambulance transport services 24 hours a day, 7 days a week, 365 days a year. Our members are all ages and come from all walks of life including nurses, mechanics, students, teachers, homemakers, refinery workers and retirees.

Our department operates as a team supporting each other at all times in training exercises and emergency responses.

Is it your time to join our family and start a meaningful career in fire and emergency medical services? For more information call or email the fire department. We would be happy to answer all of your questions.
