Free Smoke Detectors

The Fire Department still has free smoke detectors available with a ten year lithium battery. Last year we distributed over 500 new smoke detectors in our community. Stop by and get yours today! Limit of 3 per home please.

Can We Find You in an Emergency?

When seconds count it is vital that our responders get to you as quickly as possible. Often times those efforts are delayed by poorly marked houses or in some cases not having any numbers at all. Are your house numbers visible from the street? Is it time to replace those old faded out mailbox numbers with new ones? Help us to find you in an emergency.

Outdoor Burning Restrictions

With the burn ban ending the fire department would like to remind residents that all yard and beach debris fires are still illegal in Fire District #17.

Gas weed burning devices are also prohibited. Only recreational camp and beach fires consisting of either charcoal or split dry firewood and in an approved enclosure are permitted. Outdoor gas fireplaces are encouraged and are permitted year round. It is important to know the regulations and current burn ban status as the fire department issues fines and fees for responding to illegal fires and they are very expensive. For more information stop by the Sucia Drive Fire station or call the Fire District office at (360) 384-1480.

Annual General Shareholder Meeting (AGM)

Saturday, November 1st | 10am

Ferndale High School, 5830 Golden Eagle Dr., Ferndale, 98248

The Sandy Point Improvement Company has announced that its 2025 Annual General Meeting (AGM), originally scheduled for September 27, has been rescheduled to Saturday, November 1 at 10:00 a.m. The Board of Directors made the decision to reschedule the meeting to allow for updated notice to shareholders. The rescheduled meeting will follow the same format and agenda as originally planned. Shareholders should expect to receive a new official notice by mail, along with updated proxy materials to submit their vote.

Sandy Point Christmas Party!

Saturday, December 6th | 5-7pm

Sandy Point Marina, 4323 Saltspring Drive

Join your neighbors and friends for a festive evening of holiday cheer at our annual Sandy Point Christmas Party! Bring your favorite beverage (BYOB), your holiday spirit, and help spread joy to those in need.

Please consider bringing an unwrapped toy to donate to Toys for Tots. Your generosity will help brighten the holidays for local children.

We will also be raffling off beautifully crafted Christmas centerpieces, with all proceeds going to support the Ferndale Food Bank. It is a fun way to give back and take home something special for your holiday table.

If you would like to donate a centerpiece for the raffle, we'd love your help—just give the office a call.

Let's come together to celebrate the season and support our community. We can't wait to see you there!

Are you a Snowbird?

Cold weather is coming, don't forget to winterize your home! If you would like your water turned off before leaving Sandy Point, call the office during business hours to schedule an appointment. *Reminder: only Sandy Point staff may access water meters.* Also, be sure to shut off exterior spigots.

Sandy Point Apparel

The Office and the Marina have new Sandy Point Apparel, including t-shirts, tanks, sweatshirts, visors, ball caps, and bucket hats. Call the Office or Marina for availability and pick up.

Email Alert System

Sandy Point's email alert system is used to notify our customers of a water emergency as soon as feasibly possible to keep everyone informed of outage times. To be included in the email alerts, please call the office or email at office@oursandypoint.com and include your name, customer number, address, and email address.

Clean Water Meter Boxes

With winter upon us, now is the perfect time to trim back the new plant growth. The Water Department asks that you maintain and trim the new plant growth around the meter boxes, so they are easily accessible. Having meter boxes easy to find and readily available aids the Water Department in cases of water emergencies and repairs.
