

## Fire Department News

### Fire Station Update

The site for the new fire station has been cleared and is ready for construction. A huge THANK-YOU to long time Sandy Point resident David Nielsen for generously donating his time and heavy equipment to clear the property for construction. We are now in the final stages of the permit process and hope to begin construction soon.

### Burn Ban is Now in Effect

The fire district is now in a Stage #2 burn ban. All outdoor recreational camp and beach fires are suspended until further notice. Charcoal and gas barbecues as well as outdoor gas fireplaces are still permitted. If you have questions call the fire station at (360) 384-1480.

### This Year's Flu Clinic & Food Drive

This year's flu clinic is on Saturday, October 3<sup>rd</sup> from 10:00am to 2:00pm. Hoagland Pharmacy needs a good turnout to make it worth them attending so please consider supporting this long-time annual community event. Several vaccines will be available. Free hot dogs will be served! Food drive items for the Ferndale Food Bank can be dropped off at the fire station during the clinic.

### Free Smoke Detectors Save Lives!

The Fire Department still has free smoke detectors available with a ten-year lithium battery. With this program we have now distributed over 800 new smoke detectors in our community. Stop by and get yours today! Limit of 3 per home please. As an added bonus we have a few carbon monoxide detectors available on a first come first serve basis. Limit of (1) per household until they are gone.

### Another CPR Class Scheduled

We are offering another class on Saturday, October 17<sup>th</sup> at the fire station. To register call the fire station at (360) 384-1480 or email at [Info@wcfid17.org](mailto:Info@wcfid17.org).

## Buildings & Grounds Update

### Chair: Bill Rinesmith

It has been a busy and exciting few months around Sandy Point! The elevator is finally installed and working beautifully - making access easier and adding a little extra shine to the building.

Pickleball is in full swing, and the court has been getting plenty of action. Sandy Point has four sets of paddles and lots of balls ready to go, so stop by the lifeguard station to check out equipment and join the fun.

Agate Lake also received some TLC with a phosphorus-sequestering algacide treatment. The treatment is safe for people and wildlife, and the fountains are now on a monthly maintenance schedule to keep things looking and flowing smoothly.

The pool has been a popular place to cool off, with lots of members enjoying the sunshine and water. Please remember to pay the required guest fees—those dollars help keep the pool clean, safe, and ready for everyone to enjoy.

Need a quick refresher? Pool rules are available on the website and posted in the pool area, so everyone can help keep the season safe and fun.

Mark your calendars for the annual kids' pool party on August 15<sup>th</sup>, hosted by your Sandy Point lifeguards. There will be a hot dog barbecue, plenty of games, and lots of summer fun for our youngest members!
