

We hope everyone has a Merry Christmas and a safe, and happy New Year!

## Packages Arriving

During the holiday season we like to remind you to keep an eye on any packages or important mail being delivered to avoid any possibility of theft.

## Christmas Party

Thank you to everyone who came to our Annual Christmas Party! We had great attendance and collected two boxes of toys for Toys for Tots.

## Winter is Here!

With the cold weather upon us, it's time to winterize your home to avoid any bursting pipes. If you would like your water turned off before leaving for vacation, please call the office to set up an appointment during business hours and we will be happy to assist you. Please remember the meters are to be handled by Sandy Point staff only. Also, be sure to turn off any exterior water spigots.

## Dredge Assessment Delay

The Sandy Point Board of Directors has suspended the dredge assessment that was approved and voted on during the September 29<sup>th</sup> AGM. The assessment, which was scheduled to be included in the October billing statement, will now be included in the February billing statement.

## Loose Dogs

Please remember there is a leash law in Whatcom County. There have been a lot of cold dogs wandering around by themselves.

## Frost on Golf Course

If frost occurs on golf course, please wait until 10:30AM to begin play.

## Flu Clinic

The Fire Department would like to thank everyone who came to our Annual Flu Clinic this year. We had great attendance!

## Book Exchange

We have a free book exchange at both the marina and in the office. If you are looking for a new book or looking to get rid of some old ones, feel free to check out either of our locations.
